Legal Disclaimer

This report has been prepared and published by Wellershoff & Partners Ltd. This publication is for your information only and is not intended as an offer, or a solicitation of an offer, to buy or sell any investment or other specific product. The analysis contained herein is based on numerous assumptions. Different assumptions could result in materially different results. Certain services and products are subject to legal restrictions and cannot be offered worldwide on an unrestricted basis. Although all information and opinions expressed in this document were obtained from sources believed to be reliable and in good faith, no representation or warranty, express or implied, is made as to its accuracy or completeness. All information and opinions indicated are subject to change without notice. Some investments may not be readily realizable if the market in certain securities is illiquid and therefore valuing such investments and identifying the risks associated therewith may be difficult or even impossible. Trading and owning futures, options, and all other derivatives is very risky and therefore requires an extremely high level of risk tolerance. Past performance of an investment is no guarantee for its future performance. Some investments may be subject to sudden and large falls in value and on realization you may receive back less than you invested or may be required to pay more. Changes in foreign exchange rates may have an adverse effect on the price, value or income of an investment. We are of necessity unable to take into account the particular investment objectives, financial situation and needs of our individual clients and we recommend that you take financial and/or tax advice as to the implications (including tax liabilities) of investing in any of the products mentioned herein. This document may not be reproduced or circulated without the prior authorization of Wellershoff & Partners Ltd. Wellershoff & Partners Ltd. expressly prohibits the distribution and transfer of this document to third parties for any reason. Wellershoff & Partners Ltd. will not be liable for any claims or lawsuits from any third parties arising from the use or distribution of this document. This report is for distribution only under such circumstances as may be permitted by applicable law.
